Would your business benefit from an affordable program that creates happier, healthier and more energetic employees while reaching thousands in low cost advertising and establishing a local community presence? Introducing the:

NOTC Partnership Package

If you want to partner your business or skill set with an active community organization, consider the New Orleans Track Club. You have the opportunity to become the official physical therapist partner of the NOTC, or the official strength coach of the NOTC or any of many other offers. See the Partnership List positions on the second page for openings. Don't see your business or skill set on the page? Contact us to see if we can add you.

Our packages include the following:

- **Permission to set up a booth at every NOTC –owned race**
- **Monthly Facebook Support**
- **Monthly Constant Contact Support with emails reaching # of recipients each month**
- **Pre-Race Constant Contact Support**
- **Opportunities to offer their goods in promotional drawings**
- **Spot on the website**
- **Twitter support and retweets of their messages**
- **Regular race-day announcements**
- **Free 1-year membership in NOTC for key persons in the business**

Help your company's resources maximize their performance. For more information, call the NOTC office or Ross Shales at 504.214.9993, rossevrymn@gmail.com.

The New Orleans Track Club (NOTC) is a nonprofit membership organization composed of and administered by runners and walkers. Membership is open to all, fast, slow, and in-between, runners and walkers. The NOTC was founded in 1963 with the purpose to promote running in the New Orleans metro area. Since that time the club has grown to over 2000 members including runners, walkers, and wheelchair athletes. The NOTC produces about 24 races every year and owns around 15, including two of the oldest races in the country, the Turkey Day and Jackson Day Races.

The NOTC reserves the right to select its partnerships.
