Minutes approved from January 2007 General Membership Meeting and will be emailed to Bob Lanteigne for posting on website.

President's report: Geoff Rose – Geoff gave brief synopsis of past year's events including the donation of 4 (four) water fountains to City Park. The club received donations from other clubs which along with donations from Phidippedes & GNO Cyclery were able to give directly to numerous runners affected by Hurricane Katrina. He also spoke of Footprints going online due to the efforts of Pam & Judy. There were several questions from the floor regarding resuming printing & distribution of the newsletter. The issue will be addressed by the incoming board of directors. Most importantly the quality of our races has not been affected as a result of the hurricane. The status of the MGM was also discussed and it was announced that we are pursuing moving the event to Jefferson Parish to be held in conjunction with Family Gras on January 27<sup>th</sup>, 2008. A tentative route was discussed and details will be posted on the NOTC website ASAP.

Treasurer's report: Tony Stoltz – Tony used a report prepared on May 31<sup>st</sup>. There were questions from the floor regarding MGM and the impact on the budget as well as the

publication Footprints. For clarification the decision to not print Footprints & make it available online instead was a board decision based on several factors including ongoing problems with mail delivery. It would have had to have been mailed 1<sup>st</sup> class which is very expensive. Dudley Stadler made a point of addressing the audience and stating that everyone has access to the internet at all public libraries.

Chuck's report – He started by thanking all members of current board and incoming members as well as key staff members (Bob Laseigne, Lynn Wilderman, Bob Lanteigne). The NOTC is currently at 1850+ members which makes us one of the top 10 largest clubs in the nation. He acknowledged past presidents in attendance. Most races in the past year have been up in attendance w/ few exceptions. There were technical shirts at The Wall, sweatshirts at Jackson Day Race and will have technical singlets at The Spillway Race. Our free for all summer series & low cost entry fees at our long distance races sets us apart from other clubs. Some upcoming events include Spillway Trail Race, Rivershack Race & NOTC Anniversary Race. Chuck expressed his opinion on the Footprints debate as well as the MGM decision. Judy publicly thanked Chuck for all of his hard work. Geoff also spoke briefly on how labor intensive producing Footprints can be.

Charlene announced results and there is a tie between Mary Stadler & Del Donner requiring a second vote. Mary Stadler won the 2<sup>nd</sup> vote.
