Treasurer's Report

Financial position of the club is in good standing. To maintain a nonprofit success we must still make money. 16-17 was first year that was not a loss. Decent Bank Balance.

Net Income for 16-17 was ~20k

Reports of the Executive Board

In 2010 NOTC went into a contract with Competitor group. Money generated from that is considered a nest egg. This year Rock n Roll money will not come in due to contract expiration. We are making decisions on budget without taking RNR money into account to insure long-term viability.

If you have question please feel free to reach out to Treasurer or President.

Board meetings are posted on the website and you are welcome to attend.

Member: Where is the money invested today?

In 2017 transition of executive race director. Events are still a stellar quality. Thank you to all the Nicolosi's (SP?), Bob L, and Liz L.

Race Directors Report

Quick Recap of the Fall and Winter Races. And highlights upcoming Spring Races.

We have worked hard with the races we have to have a variety of race distances, courses, and sponsors.

Member: Is Jackson Day moved permanently, and why?

Pres: Permitting and exponentially increasing race costs. To break even the race prices would not be viable for participants. St. Bernard was welcoming with open arms.

Member: How was participation in this year vs prior years.

Pres: About 500 last year, and 415 registered this year. Lot of members from the St. Bernard area assisted.

Member: With Turkey Day was there an issue with walk ups?
